SKILLS

HTML

CSS

JavaScript

UI

GIT

Netlify

Repl.it

STRENGTHS

Eager to learn new skills

As a person who is starting out, I am constantly seeking for new ways to grow and expand my skillset

Time Management

I always set aside time to plan my week and distribute the workload so that I can simultaneously meet deadlines and maintain my well-being.

Collaborative

My past experience(s) leading and pioneering groups taught me to be a good team player

PROJECTS

RedactR

A simple web application that allows users to censor messages before making it public.

<https://redactr-app.netlify.app/>

Wall Clock

A functional clock.

<https://neumo-clock.netlify.app/>

Digital Calculator

A functional calculator built with neumorphism that gives it a good aesthetic appeal.

<https://olayinka-calculator.netlify.app/>

Form

A simple form styled using gradients and neumorphism that allows users to submit messages.

<https://logintask2.netlify.app/>

<https://neum-login.netlify.app/>

REFEREE

Available on request.
